The Peach Orchard mines are working a full force, and shipping more coal than for some time past. The strike of the miners in all parts of the country has created a demand for coal. Rice-Cockrell.

Married, on Wednesday, April 25th, at the home of the bride's parents at Ezel, Morgan county, Ky., Miss Eugene Cockrell to Mr. John M. Rice, Jr. The wedding took place at 7:30 a. m., and the couple left at once for this place, arriving here yesterday morning.

The bride is a daughter of B. F. Cockrell, one of Morgan county's most prosperous farmers, and is able to do more than her share in sustaining the reputation of Kentucky for beautiful women.

The groom is a son of Hon. John M. Rice, and has filled with credit positions in the revenue service and Land Office.

They will leave Monday for Frankfort, where Mr. Rice has a lucrative position in the Auditor's office.

The NEWS extends congratulations.

We take the following from the Mt. Sterling Gazette of April 25. The groom is a brother of Miss Gertrude Stonebraker, of this place, and has many friends here: STONEBRAKER-LINDSAY—At the residence of Josiah Lindsay, corner of High street and Howard Avenue, this evening at 8:30 o'clock, Rev. A. Redd, pastor of the Methodist church, performing the ceremony, Mr. and Mrs. Lindsay's only daughter, Miss Jennie Elizabeth, will be married to Mr. Charles A. Stonebraker. The wedding will be very quiet, only the relatives and a few intimate friends will be present. The groom is book-keeper for I. P. Tabb, the Maysville street Commission Merchant, and is a popular young gentleman. This city has not always been his home, in fact, he has only lived here a few years, but by his quiet gentlemanly manners has made warm and true friends. Miss Lindsay, the bride, is a very handsome young lady, loved and respected by all who know her. The Gazette and their many other friends in advance extend congratulations, and sincerely hope their married life will be happy and prosperous.

Judge Marcum.

For some time past it has been known that many friends of Hon. W. W. Marcum were pressing him to enter the race for the Democratic nomination for Judge of the Criminal Court of Wayne county, W. Va., and it was only a few days ago that he consented to enter the race.

Mr. Marcum was long a citizen of Louisa and we take pleasure in saying that we know him to be a first class lawyer, a gentleman in every sense of the word, and a man who will be true to any trust placed with him. As County and Town Attorney he was a faithful servant and retired with the confidence and good will of the people. If the Democrats of Wayne shall see fit to nominate Mr. Marcum we feel safe in assuring them that they will never have cause to regret it. As a Democrat his record is clean and as Judge he would be governed by a "level head" and the strictest sense of integrity.

If she is overworked, nervous, or "run-down," she has new life and strength after using this remarkable remedy. It is a powerful, invigorating tonic and nerve which was discovered and used by an eminent physician, for many years, in all cases of "female complaints" and weaknesses. For young girls just entering womanhood; for women at the critical "change of life"; in bearing down sensations, periodical pains, ulceration, inflammation, and every kindred ailment, if it ever fails to benefit or cure, you have your money back.

S. P. SMITH, of Towanda, Pa., whose constitution was completely broken down, is cured by Ayer's Sarsaparilla. He writes:

"For eight years, I was, most of the time, a great sufferer from constipation, kidney trouble, and indigestion, so that my constitution seemed to be completely broken down. I was induced to try Ayer's Sarsaparilla, and took nearly seven bottles, with such excellent results that my stomach, bowels, and kidneys are in perfect condition, and in all their functions, as regular as clock-work. At the time I began taking Ayer's Sarsaparilla, my weight was only 120 pounds; I now can back of 150 pounds, and was never in so good health. If you could see me before and after using, you would want me for a traveling advertisement. I believe this preparation of Sarsaparilla to be the best in the market today."
